Dear Mr. Michel

We want to extend our sincere gratitude to VIK Stiftung for supporting the Salesian Life Choices-Health4Life program for the past three years, including last year's immense contribution of Euros 27 600.00.

On behalf of Salesian Life Choices we are grateful for your support and we would be happy for our partnership to continue, thereby further benefiting other beneficiaries through the provision of HIV counseling and testing services. Thus, contributing to the fight against the spread of HIV/AIDS, STI's and TB.

To the VIK-Stiftung team we wish you a fruitful year.

Should you wish to do a site visit or spend some time meeting the Health4Life beneficiaries, we would be happy to accommodate you at your convenience.

Yours Sincerely,

Sofia Neves
